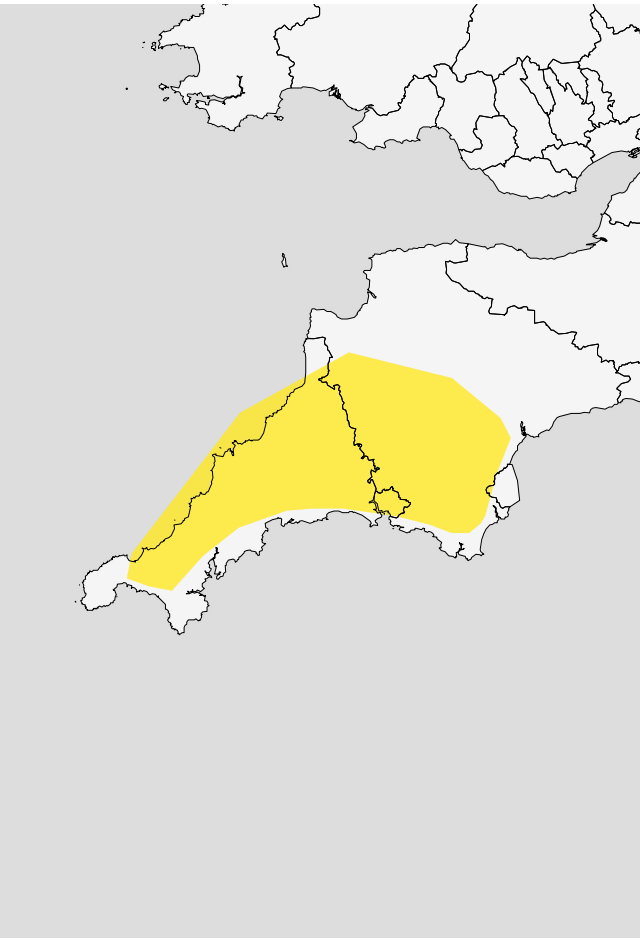
Yellow warning
Ice

Between
18:00 Tue 13 Dec 2022 and
10:00 Wed 14 Dec 2022



Overnight sleet and snow leading to some icy patches this morning

What to expect

- Some icy patches on some untreated roads, pavements and cycle paths
- Some injuries from slips and falls on icy or snow-covered surfaces

Further details

Some icy patches are expected on untreated surfaces through this morning following the clearance of overnight sleet and snow, the heaviest of which has fallen over the higher ground of Dartmoor and Bodmin Moor.

Reason for update

The northeastern portion of the warning area has been removed whilst extended towards the north Cornwall coast. With sleet and snow having eased across the warning area, this is now an ice-only warning.
